January 2022

The Wall Business and Finance Academy strongly recommends Solution Prep to conduct workshops for any of your schools needs regarding the college process. Eric and Laura Ginsberg are the dynamic duo when it comes to presentations, be it virtual or in person. They are knowledgeable, engaging and extremely energetic. The Business Academy, along with our Guidance Department have hosted their workshops on *College Information Night*, *Financial Aid Night*, and we will soon be hosting a virtual workshop on *Negotiating with Colleges* in March of 2022.

The feedback we have received from these workshops is very positive from both parents and students. Eric and Laura have perfected a way to make the daunting task of applying to colleges more manageable and bearable for everyone involved. They also give ample time during the Q&A sessions to make sure that every person walks away with all their questions answered.

It is my pleasure to highly recommend Eric and Laura and their workshops. Navigating the college process is very stressful and uncertain. They give you the tools to make the best informative decisions for your son or daughter's future. Again, the knowledge and experience they have is second to none!

**Sincerely,**

Lindsay Mossa  
Business Education Teacher  
WBFA Director

It is my absolute pleasure to recommend Eric Ginsberg as a presenter for Financial Aid workshops. We've hosted Eric for the last 2 years at Princeton High School for both a Financial Aid Night and for Negotiating your Financial Aid package program. He provides tangible, relevant, and practical advice on all facets of financial aid, not just FAFSA. He delivers the information in an easy and organized way so that he can reach various demographics in our audience. He's humorous, witty, and fun to listen to.

Eric is easy to work with and responds almost instantaneously to any questions I have. Parents have reached out to me on several occasions to let me know they've appreciated the information that Eric has shared.

I am confident in recommending Eric and his team. The presentations he delivers are professional and of high quality.

Regards,

*Nipurna Shah*

To Whom It May Concern:

I would be remiss if I did not take the time to write about Mr. Eric Ginsberg and his fantastic team from Solution Prep.

When schools across the state and country began to shut down at the start of the COVID-19 pandemic, I became connected with Mr. Ginsberg who reached out to me with an invitation to offer presentations to our parents. From the minute we were in touch, I knew that a solid partnership was about to form. Mr. Ginsberg is one of the first people I call when I have an idea about a program for our school.

Since then, Solution Prep has been our #1 presenter for my department at our school. They have offered programs covering Admissions & Enrollment - (admissions tips, negotiating with colleges, essay writing, & summer courses for students) - and Financial Aid. Although we have partnered with other similar companies in the past, none of them have been able to compare with the quality of information provided by Solution Prep. And the feedback I receive from our community is just as impressive! Consistently - and after every presentation - I receive calls and emails from parents who thank me for offering programs provided by Solution Prep. The response is always similar: "I learned so much..."; "I walked away feeling less stressed..."; "I didn't know what I didn't know until I attended this program - thank you!"; "Please offer more!"; and, "Thank you!"

As I write this, Mr. Ginsberg is presenting in person to our seniors in our auditorium and I have already received text messages from the staff in the room: "He is excellent!"; "Excellent presenter & information"; "Your guest speaker is awesome!!"; and, "The kids are engaged & listening!"

Without hesitation, I would highly recommend the services provided by Mr. Eric Ginsberg & his team from Solution Prep. I can assure you that when the time comes for my family to get ready for the college admissions process for my own children, Solution Prep will be on speed dial!

Sincerely,

Kevin P. Farrell

Saint John Vianney High School has been fortunate to partner with Solution Prep for the past two years for Financial Aid presentations. The feedback received from parents is always so positive. Eric is very thorough and knowledgeable of the FAFSA process and upcoming changes. He also provides us with a video and handouts to share with parents who were not able to make it.

We look forward to utilizing Solution Prep for future college planning presentations.

To Whom It May Concern:

I am writing to recommend the workshops provided by Solution Prep, an experienced SAT/ACT prep company, whose workshops focus exclusively on educating families about the college admissions process. Our school has benefited over multiple years from several of the comprehensive workshops by Eric and Laura Ginsberg, in particular: *Financial Aid Night* and *College Admissions Q&A*. We already have them booked for October of 2020.

Eric and Laura deliver presentations that are energetic, entertaining, and jam-packed with useful information for both parents and students. Our families here at East Brunswick High School are always appreciative of the time Eric and Laura allot for questions and answers during their presentations.

I strongly recommend Eric and Laura and their workshops. I have no doubt that the students and families at your school will find an evening such as this to be a great success.

Sincerely,

Jennifer Lipariti  
School Counselor

The Solution Prep workshops have helped us guide parents and students through the sometimes overwhelming college admissions process with more insight and clarity. I had the good fortune of hosting Eric and Laura Ginsberg for two engaging workshops: *Financial Aid Night* and *Negotiating with Colleges*, and I have booked both workshops again for the 2020-2021 school year.

Navigating the process for getting financial assistance to pay for college can be a daunting task; the folks at Solution Prep are able to break it down into manageable chunks that are easy to understand. Our families here at MAST particularly enjoyed the ample time during the workshops for Q&A. Eric and Laura bring a level of expertise that entails extremely useful, targeted information beneficial to students, parents, and our guidance team.

I am happy to recommend the workshops that Eric and Laura offer — your students and their families will be grateful for the information.

Sincerely,  
Lindsay Oppito

February 2020

The School Counseling Department of Old Bridge High School would like to recommend Solution Prep, an SAT/ACT prep company, whose invaluable workshops focus solely on assisting families in getting the information they need to navigate the college admissions process. We hosted a very informative *Financial Aid Night* last October, and already have another one booked for October of 2020. The feedback we have received from our parents about Eric and Laura Ginsberg is overwhelmingly positive.

Eric and Laura's workshops are engaging, enthusiastic, and packed full of useful information for both parents and students. Our families here at Old Bridge High School are always impressed with the amount of time Eric and Laura spend answering their detailed questions at the conclusion of their presentations.

It is our pleasure to recommend Eric and Laura and their workshops. We have no doubt that the students and families at your school will enjoy the same.

Sincerely,

Old Bridge High School  
School Counseling Department
